

2024 Impact Report

A year
dedicated to
investing in
our members

In 2024, the IREM Foundation achieved remarkable strides thanks to the generosity of our donors, furthering the real estate management profession and supporting more IREM members around the world.

Demand for education assistance continued to rise and we awarded more scholarships than ever. Our Beal grant funding, which emphasized education, or member recruitment and retention, supported innovation within IREM chapters. Community initiatives like the Summer of Service encouraged collaboration and networking while making a difference close to home.

We extend heartfelt thanks to you, our chapter supporters, for your essential partnership.

Community Initiatives

20 community service projects supported the 2024 Summer of Service and engaged 250+ volunteers across 15 IREM chapters.

We couldn't have
done it without your
generous support.

Thank you.

Your support has empowered
real estate management
professionals around the world
to reach their potential,
transforming careers and
communities. Together, we are
building a brighter future.
